Dear North Brunswick Senior Transportation Clients,

Our goal is to provide each of you with the best transportation service possible. The change is for all North Brunswick Township Seniors age 62 and over or bona fide disabled residents. Qualified residents have no other means of transportation and do not drive. The hours of operation for **cab** transportation will remain the same with an expanded choice of North Brunswick Cab companies, as per the list enclosed. Any client who has used our previous transportation services ages 60-61 will be grandfathered in to the program. We will guide you in this new process with the following information and assistance:

1. Each North Brunswick Township senior age 62 & over (or grandfathered in to the services due to previous use) will complete a passenger data sheet. You will be provided with a photo ID that must be used at all times while using the **North Brunswick Cabs**.
2. Review uses of **approved** transportation services.
3. Refer to the details of the North Brunswick Township ordinance.
4. Review the receipt that will be issued to you.
5. Riders are permitted **one** roundtrip per day. (If there is a **medical** need for an additional trip, it has to get approved by the Senior Center office).
6. All trips that are **non-medical must be within North Brunswick Township**. The Township offers a multitude of businesses that will accommodate your shopping needs and personal errands.
7. **Medical** trips are permitted within North Brunswick Township, as well as up to 10 miles outside of North Brunswick.
8. Cabs will be **\$1.50 EACH WAY** within **North Brunswick using North Brunswick Cabs with the exception of trips to the North Brunswick Senior Center, trips to the Senior Center will be 75 cents each way.**
9. Cabs originating in North Brunswick, going **outside of the Township limits in any direction (up to 10 miles in total travel per one way trip)** will be **\$2.50 EACH WAY.**
10. We will provide one roundtrip ride per client, daily. Multiple stops are permitted only if it is a medically related appointment or need and is approved by the Senior Center Supervisor.
11. Each person being transported as a single client **must receive and keep your receipt.**
12. The resident will no longer be required to call 24 hours in advance- instead you can call the same day from any of the **North Brunswick Cabs** on the list provided. Each trip will be considered a one-way trip.

If you have any questions please contact the Senior Center at (732) 247-0922, ext. 820.

Yours sincerely,

Jessica G. Zink
